

D Newsletter

Issue 13
Christmas 2018

Welcome to our newsletter!

2018 was a very eventful year at our Home. Sadly, we said goodbye to a couple of Service Users but happily welcomed Pauline Jacobs, John Binge and Dawn Snewing to the Dunheved Lodge family.

To reinforce our great team, we contracted Francis, Jeana, Michelle, Deborah and Marylinda which I hope you all had the opportunity to meet.

Throughout the year, Service Users have been very active participating of various outings, holidays and some of them attending the educational and leisure activities at our Resource Centre.

I hope you enjoy some of the highlights in this newsletter.

I, and all at Dunheved Lodge, wish you a very merry Christmas.

Raj Domun (Manager)

BIRTHDAYS

BIRTHDAY'S CELEBRATIONS

To celebrate a 40th birthday party is a great occasion simply a milestone birthday that really does call for a party to remember that's what ADEBAMBO did during her birthday party on 21 October 2018 at Dunheved Lodge.

She had an amazing time with other service users, organised and prepared by staff especially for her very special birthday. She thoroughly enjoyed opening presents. After the party Keyworker Annette drove Bambo to her Mum in Brixton to spend a few hours with her family.

At Dunheved Lodge, all birthdays are celebrated with a party and the presence of families and friends.

Debbie celebrated her 40th birthday this year, Shirley celebrated a milestone 60th birthday and Pauline a big 65th Birthday. Long life to all!

SHOPPING FOR CHRISTMAS

HOME IMPROVEMENT

This year saw a lot of improvement at Dunheved Lodge. Our lounge has been completely revamped and it is now more bright and comfortable. We had new and modern doors and hand rails for the stairs fitted, a new medication cupboard installed. Our kitchen has been updated and a wet room has been installed to facilitate for our wheelchair users.

In the garden, a brand new shed was built and thanks to the family of our friend Lee, a new bench in his memory was added to our patio.

Service Users were busy preparing for Christmas, having fun whilst shopping for presents.

REMEMBERING LEON ROUSSEAU

This Newsletter is dedicated to our friend Lee who departed on a blue moon's night.

Lee had a good sense of humour, a very friendly, polite person, hospitable and he will be remembered for his unique character full of enthusiasm. We all miss you!

*"A butterfly lights beside us like a sunbeam
And for a brief moment its glory and beauty belong to our world
But then it flies again
And though we wish it could have stayed...
We feel lucky to have seen it"*
